Dear Sir/Madam,

**THANK YOU LETTER.**

We are writing to thank you for your generous contribution to support the education of the blind and visually impaired children of the GOVI resource centre for the blind by providing learning materials.

These items will benefit more than fifty students and will go a long way in making sure these children have quality education.

You have left a wonderful legacy. We are grateful for all you have done, and we appeal for your best efforts in continuing this service especially this coming academic year and in the future. Please accept our warmest heartfelt thanks.

Sincerely yours,
